Profile

Mr. Troy La Huis is a Principal in Crowe's Risk Consulting practice where he focuses on providing cybersecurity and financial crime risk services.

Professional and Industry Experience

With over 17 years of consulting experience, Mr. La Huis is an experienced leader of large scale, multi-disciplinary project teams with an overall focus on helping organizations efficiently manage information technology and financial crime risk.

Troy has led projects at some of the nation's largest organizations in diverse areas of governance, risk and compliance including: anti money-laundering, fraud, identity theft, and information technology security. Mr. La Huis has worked with senior management and with Boards to remediate regulatory compliance deficiencies and help them develop their compliance and risk management policies and procedures for effective corporate governance.
